Peace Day Philly, CFPa, UNA-GP, PSR and Vets for Peace Webinar:

Peace in Our World, Peace in Our Streets

Sunday, September 18th, 2:00 PM to 3:15 PM

Our sponsors all agree – we are in a crisis in our cities and our country when it comes to guns – and much more must be done. We commend the first steps taken in the “Safer Communities Act” led by Senator Chris Murphy

of Connecticut and others, or as Sen. Murphy has himself said, “first half-steps.”

On Sunday, September 18th, we’re privileged to have the [Rev. Bob Moore](#) as our keynote on this theme. He is the longtime Executive Director of the [Coalition for Peace Action](#), under whose umbrella much has been done by [Ceasefire NJ](#), a partner organization. [Peaceful Posse](#) is a grassroots program led by PSR – Physicians for Social Responsibility in Pennsylvania, and President Tonyehn Verkitus will enlighten us about those efforts. Last but not least, we will hear from Larry Holman, Veterans for Peace, on guns, veterans, and dealing with post-traumatic stress.
